## 48V Rack Mount Inverter

---

The Samlex PSR-1200-48 is a highly efficient micro-controller based 1200 Watt, 48 Volt DC rack mount inverter designed for telecommunications, solar power systems and emergency backup power.

This AIMS Power 3000W 48V Rack Mount Inverter is ideal for providing backup power to your essential equipment such as: telecom, audio/visual and computers. It will generate 3000W of ...

Ensure uninterrupted power with our advanced NEGATIVE 48V, 1U rackmount inverter, designed for telecom and data centers. Ideal for providing backup power to your essential equipment, ...

The Samlex PSR-1200-48 is a highly efficient micro-controller based 1200 Watt, 48 Volt DC rack mount inverter designed for telecommunications, solar power systems and emergency backup ...

Powering the Network by Newmar with a new 3000 watt, 48VDC power inverter, model 48-3000RM. The new DC-AC inverter is ideal for critical communication equipment or remote ...

From safe and stable lithium batteries to world class inverter technology and solar options, our products help customers power their lives in a clean, efficient, and resource / cost ...

From safe and stable lithium batteries to world class inverter technology and solar options, our products help customers power their lives in a clean, efficient, and resource / cost efficient way.

This AIMS Power 3000W 48V Rack Mount Inverter is ideal for providing backup power to your essential equipment such as: telecom, audio/visual and computers. It will generate 3000W of high quality pure sine power at ...

The PSR-1200-48 Rackmount Inverter core technology is built on the robust industry proven Samlex PST Series. Provide reliable AC power to your communications equipment and ...

This 2U rackmount inverter is ideal for providing backup power to your essential equipment such as: telecom, audio/visual and computers. It will generate 3000W of high quality pure sine power at a stable 120Vac output.

The PSR-1200-48 Rackmount Inverter core technology is built on the robust industry proven Samlex PST Series. Provide reliable AC power to your communications equipment and minimize equipment failure due to grid ...

Keep your sensitive electronic equipment running during power outages with the DC-to-AC rack-mount inverters from AIMS Power.

This 2U rackmount inverter is ideal for providing backup power to your essential equipment such as: telecom, audio/visual and computers. It will generate 3000W of high ...

The PSR-2200-48 is like our PSR 1200-48 rack mount inverters, but at 2200 watts, it can support more equipment. Key features include a built-in transfer relay for seamless switching between ...

This 2U rackmount inverter is ideal for providing backup power to your essential equipment such as: telecom, audio/visual and computers. It will generate 3000W of high quality pure sine ...
