Filtration. Are there outdoor markets in Bolivia?

Outdoor Markets in Bolivia. How to Bargain Prices and What to Expect There are hundreds of outdoor markets in Bolivia where you can find an astonishing variety of products. These outdoor markets are crowded, always busy, noisy and frequently don't smell all that good, but shopping at one can be an interesting experience.

What type of power plugs are used in Bolivia?

In Bolivia, power plugs and sockets (outlets) of type A and type C are used. The standard voltage is 115 / 230 V at a frequency of 50 Hz. For more information, select the country you live in at the top of this page. We don't sell power plug adapters. We refer you to Amazon, where you will find a great selection of travel adapters.

Should you buy anything in Bolivia?

Even if you're shy about bargaining in Bolivia, and in fact even if you buy nothing at all, a few hours spent roaming around Bolivian markets can be a really eye-opening experience. Be careful of your wallet or purse and other personal belongings and don't wear any expensive or ostentatious clothing or jewelry.

What to do in Bolivia if you're a foreigner?

Foreigners stand out to pickpockets. If you plan to do some shopping at one of the markets in Bolivia, be prepared to bring your own shopping bag (vendors will give you items in separate small plastic bags but you have to have your own market bag to carry them in). Wear comfortable clothing and shoes as the market floors may be dirty or wet.
