Awning outdoor courtyard home solar all-in-one machine

Overview

Which Solair awning is best for my home?

Your local Solair Dealer can help you determine which option is best for your home. Retractable patio awnings and retractable window awnings create shade on your deck or patio, as well as reduce heat and sun damage inside your home.

What is a solar awning?

Maximize your space with Lumos Solar Awnings. Solar awnings offer a combination of practical use and green energy, transforming buildings into power-generating hubs while enhancing architectural appeal. Lumos specializes in designing solar awnings that fit into structures, providing energy efficiency, shade, and style all in one package.

Why should you buy a solar awning?

Enjoy a sheltered outdoor oasis with protection from the sun, UV rays and light rain. Stay cool on scorching summer days, reducing temperatures by up to 20° for refreshing outdoor relaxation Embrace green living with the industry's first solar-powered smart awning with internal Wi-Fi connectivity.

Why do you need a solar-powered retractable awning?

With your beautiful outdoor space left abandoned, there is wasted potential for gatherings, after-work relaxation and enjoying a breath of fresh air with the family. That's why we created the Furrion Lumina solar-powered retractable awning — your solution to designing your outdoor paradise.

What is a furrion Lumina retractable outdoor awning?

With the Furrion Lumina retractable outdoor awning for homes, patios and decks, you can say goodbye to the sweltering heat and fears of UV exposure. We're revolutionizing your outdoor experience, turning that sizzling deck or patio into a cool, shaded haven and transforming your outdoor space into a

functional, comfortable extension of your home.

How do I control my patio awning?

Benefit from a built-in wind sensor for enhanced functionality without the additional cost, and connect your patio awning to your preferred voice assistant for hands-free control through the Furrion AwnCommand™ app. Using the Furrion AwnCommand™ app, you can control your powered awning from right beneath the awning, or anywhere in the world.
