# Azerbaijan rooftop solar panel purchase price

## Overview

---

However, solar panels are not produced in Azerbaijan and are still quite expensive for an individual consumer: solar panels cost about \$400 (with customs duties), and modern panels with an area of 1 x 1.6 square meters produce about 300-350 W, i.e., to obtain a conditional 100 kW of power it will be necessary to purchase about 300 such panels. 3 ?
