

PDEOZE PowerContainer

Bulgarian solar power generation system manufacturer

Overview

Is SolarPro a member of the Global Compact network Bulgaria?

As a socially responsible technological leader and a dedicated member of the United Nations Global Compact Network Bulgaria, Solarpro is fully committed [.] For a second consecutive year, Solarpro is delighted to extend its support to the final round of the National Secondary School Competition [.].

What services do we offer in the construction of solar installations?

We offer a whole range of services related to the construction of solar installations - from research and evaluation to installation, maintenance and service. We strive to provide high-quality alternative energy solutions tailored to the needs of our customers.

How can a solar power plant be sustainable?

Sustainability Partner from recycling PV modules and batteries to utilizing damaged or polluted land and areas transforming them into state-of-the-art clean energy plants. The most suitable data-driven monitoring solution for your power plant at the most cost-effective ratio. Executed PV Projects in SOLAR Energy
