

## PDEOZE PowerContainer

**Home energy storage  
equipment manufacturing  
belongs to**

**51.2V 300AH**

## Overview

---

What is China's Energy Storage Center?

Through strategic partnerships with the Chinese Academy of Sciences, Zhejiang University, and the University of Electronic Science and Technology of Chengdu, the center advances the development and application of cutting-edge energy storage technologies. The company operates advanced energy storage factories with a total capacity of 10GWh in China.

Who is Zee energy storage?

ZOE Energy Storage established, with an R&D center that developed liquid cooling ESS and planned a intelligent factory. Product: Launched the Z Box Series ESS and obtained relevant certifications. R&D: Achieved TÜV Rheinland Witnessed Test Lab qualification. Manufacturing: 2GWh factory launched, 12GWh capacity planned.

What is energy storage business scope?

The company's business scope covers research and development, manufacturing, testing, service and general engineering contracting of energy storage device. The business includes battery, PCS, BMS, EMS, energy storage power station, small energy storage products, mobile energy storage and other whole industry sectors.
