

## PDEOZE PowerContainer

# Island water pump inverter factory direct sales

The image shows a stack of seven PDEOZE PowerContainer units. Each unit is white with a black control panel on top. The units are stacked on a metal frame with wheels. To the right of the stack are four circular icons: a hand pointing to a button, a globe, a battery with a lightning bolt, and a bell with a lightning bolt. Below these icons are four lines of text: 'easy to install and use', 'World wide Products', 'faster charging and discharging', and 'Multiple protection with alarm systems'. Below the icons and text is the heading 'Can save energy' followed by two paragraphs of text: 'the battery capacity can be increased freely and flexibly according to the situation of home use.' and 'Rechargeable lithium batteries use safe LiFePO4'. The background of the image is a house with solar panels on the roof, set against a backdrop of snow-capped mountains and a field of solar panels in the foreground.

**easy to install and use**

**World wide Products**

**faster charging and discharging**

**Multiple protection with alarm systems**

**Can save energy**

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4
