

PDEOZE PowerContainer

Israel energy storage power supplier

Overview

The Israeli Electricity Authority (IEA) has awarded contracts for 1.5 GW of high-voltage battery storage across 11 projects in a recent tender. The awarded facilities will be developed in three key regions, helping integrate renewable energy into Israel's power grid.

Israel energy storage power supplier

In 2020, Doral won the majority of competitive tenders issued by the Israel Electricity Authority, which combine solar energy with storage capacity.
