# Lithium battery pack warranty

## Overview

---

Lithium battery warranties typically cover defects in materials or workmanship for 2-5 years. Most exclude capacity loss, physical damage, or improper usage. Manufacturers like Tesla and LG often pro-rate warranties, reducing coverage annually.

Lithium battery warranties typically cover defects in materials or workmanship for 2-5 years. Most exclude capacity loss, physical damage, or improper usage. Manufacturers like Tesla and LG often pro-rate warranties, reducing coverage annually.
