

PDEOZE PowerContainer

Nepal solar curtain wall manufacturer

Overview

Who is a leading curtain manufacturer in Kerala?

Window World is one of the leading curtain manufacturers in Kerala. All our curtains are made from good quality materials and are well-designed by our team. We supply our curtains to all over Kerala for bulk orders, and our manufacturing unit in Ernakulam ensures a lot of design options and tested quality.

What is photovoltaic curtain wall?

Photovoltaic Curtain Wall generates energy in the building implementing solar control by filtering effect, avoiding infrared and UV irradiation to the interior.

What are aluminum curtain walls?

The aluminum systems are not only easy to transport but also straightforward to manufacture. Curtain walls —also known as glass façades and exterior glazing systems —convert previously unused spaces into energy assets, enhancing both aesthetics and functionality.

What is a curtain wall?

Curtain walls are generally heavier sections used for front façades & skylights, which allow for only glazing and aluminum sections to be seen. Whether it is for new constructions or refurbishment, our team will fabricate according to your drawings or by the site measurements of your original door, window or facade.
