

PDEOZE PowerContainer

Niue emergency outdoor power supply manufacturer

Overview

What is Niue Power Corporation (NPC) funding?

This represents the culmination of years of work from Niue Power Corporation (NPC) staff, local and overseas contractors, and our development partners. Australia and New Zealand funding assistance in particular has been instrumental in the procurement of new generators, transformers, switchboard and construction of a new building to house these.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, “The construction of this new power station is a vital piece of infrastructure for Niue’s development and well-being. This achievement would not have been possible without the support of our regional partners.”.

When is Niue's New Power Station launching?

The Ministry of Infrastructure celebrated the so5 launch of Niue’s New Power Station on the 7th November 2024. The launch marks a critical milestone in Niue’s journey to strengthen and modernize its energy infrastructure.

What is a portable energy storage power supply?

This product is a portable energy storage power supply with a built-in high-efficiency power lithium-ion battery, a stable lithium battery management system (BMS), and an efficient energy conversion circuit. The product is compact and portable, with large capacity and high power.
