Overview

Are Lex portable power distribution boxes waterproof?

Lex products portable power distribution units have NEMA 3R, 3R Weather Resistant or 3R Rainproof environmental ratings depending on the distro box. The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE™ Pagoda portable distribution box.

Where can I find portable power stations?

Find portable power stations at Lowe's today. Shop portable power stations and a variety of electrical products online at [Lowe's.com](https://www.lowes.com).

What is the best power doghouse box?

Both stackable and compact for easy storage, the Lex Products Bento Box® is the power doghouse box you want. The Bento Box® is the smallest most portable power distribution pack in its class. This Bento Box® series features multiple boxes that can be connected together for multiple power distribution locations from one easy source.

What is a portable power distribution cart?

Portable Power Distribution Carts, also known as our Original Series of power distribution boxes, provide a safe way to distribute power to power tools and other equipment that requires power on a job site or other location where utility power is not available or turned off.

How many amps does a power distribution box have?

Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe. Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads.

What are load master TM series portable power distribution boxes?

Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads. These temporary power distribution boxes feature 1, 3 or 4 adjustable circuit breakers, with a range of amperage and voltage ratings.
