

## **PDEOZE PowerContainer**

# **Seychelles home solar power system**

## Overview

---

How can I use solar energy in Seychelles?

Certified by Seychelles Energy Commission Approved by PUC Use solar energy independently by using battery storage or a hybrid system. Full range of maintenance and monitoring services available for your solar energy system. Voltage optimisation and power factor correction devices.

Who can install photovoltaic systems in Seychelles?

Contact our professional staff for a comprehensive project proposal. ESS has been installing photovoltaic (PV) systems in Seychelles since 2012 and provides renewable energy products and energy efficiency consultancy. © 2019 Energy Solutions Seychelles. All Rights Reserved. Powered by Com & Click.

What kind of electricity does Seychelles have?

The Seychelles have 220-240v electricity with British style B-1363 outlets, which will require both an adapter and in the case of appliances that can't handle 220v, a step down converter or transformer. What are the toilets like in the Seychelles?

.

Who is ESS solar?

ESS has been installing photovoltaic (PV) systems in Seychelles since 2012 and provides renewable energy products and energy efficiency consultancy. © 2019 Energy Solutions Seychelles. All Rights Reserved. Powered by Com & Click ESS is a leading solar energy supplier in the Seychelles.
