

## **PDEOZE PowerContainer**

# **Solar Cornering Warning System**

## Overview

---

SAWS provides a safer ingress and egress solution to address the dangers on construction haul roads and intersection crossings. The system detects approaching vehicles and notifies dangerous entry vehicles to stop or yield. It simultaneously warns the public of entering vehicles.

## Solar Cornering Warning System

---

Our 24/7 Standard or Eco Beacon Stop and Warning Systems operate 24 hours a day, seven days a week. Weatherproof, ultra Bright LED's are the brightest in the industry. The LEDs will adjust brightness according to ...
