# **Sri Lanka invests in solar panel project**

## Overview

---

As a key step towards achieving the target of fulfilling 70% of the country's electricity demand from renewable energy by 2030, construction work on the Siyambalanduwa "Rividanavi" Solar Power Park, Sri Lanka's largest renewable energy project, commenced this morning (06) under the patronage of President Anura Kumara Dissanayake. Is India building a floating solar power plant in Sri Lanka?

India is to commission floating solar power plants in Sri Lanka, the Indian High Commission in Colombo said today. Prime Minister Narendra Modi inaugurated the world's largest and first of its kind renewable energy park comprising both wind and solar energy with a total capacity of 30 GW at Kutch in Gujarat on 15 December 2020.

Who makes the best solar panels in Sri Lanka?

Hayleys Solar has partnered with leading tier-1 solar panel manufacturers around the world to provide only the best solar panels in Sri Lanka. All our solar system projects are fitted with durable and conversion-efficient solar panels to ensure that our customers receive long-lasting solar systems.

How to get solar PV roof top installation in Sri Lanka?

Solar PV service providers (applicant company), having capacity to deliver the complete package of services including survey, design, supply of equipment/materials, installation & commissioning and post installation back up support must register at the Sri Lanka Sustainable Energy Authority to engage in Solar PV Roof Top installation in Sri Lanka.

What is a rooftop solar PV power generation project?

The "Rooftop Solar PV Power Generation Project" provides electricity consumers with long-term debt financing for installation of rooftop solar photovoltaic power generation systems in Sri Lanka.

What is warranty cover for solar panels & inverters in Sri Lanka?

Warranty cover by the service provider for mounting structure and wiring for 10 years. Vendors/service providers shall submit necessary test certificates from accredited laboratories and obtain the conformity certificate from Sri Lanka Sustainable Energy Authority for PV panels, inverters and DC Cables as appropriate.

What is a 50 million credit line in Sri Lanka?

The credit line of US \$ 50 million established by the Government of Sri Lanka (GoSL) through a loan from the Asian Development Bank (ADB) provides the required financing on preferential terms.
