Sudan 72V 100A Huijue lithium battery pack

Sudan 72V 100A Huijue lithium battery pack

OEM& ODM are supported.All specifications are customized available.

OEM& ODM are supported.All specifications are customized available.

A 72V 100Ah lithium battery combines 24 lithium cells (3.2V each) in series, achieving 72V nominal voltage. Key features include 7.2 kWh energy capacity, 20-25 kg weight (30% lighter ...

Compact and Lightweight Design: This Rechargeable Battery boasts a sleek profile and high energy density, providing extended usage time. Designed for portability, it is easy to ...

The battery's high voltage and capacity ensure you can travel further on a single charge, reducing the need for frequent recharging. Additionally, the 72v 100ah lithium is built to last. With a deep ...

Durable and Reliable: Made from high-quality lithium iron phosphate material, this battery pack features a moisture-proof package, ensuring reliable performance and long-term durability in ...

Individual pricing for large scale projects and wholesale demands is available. OEM& ODM are supported.All specifications are customized available.
