Tunisia energy storage system integrator

Overview

Who are the largest system integrators in the Bess industry?

Foreground and background images, respectively: BESS systems deployed by Sungrow and Tesla, the two largest system integrators globally according to S&P. We hear from S&P Global Commodity Insights analysts and a former Fluence executive about the major trends shaping the competitive landscape of system integrators in the BESS industry.

Should system integrators outsource manufacturing?

The norm to-date for system integrators has been to outsource manufacturing to someone else. Kepshire agreed with Energy-Storage.news suggestion that manufacturing in-house was most likely better for quality control, but did not think that the industry was necessarily heading that way.

Can a system integrator save money?

By doing this, IPPs like NextEra in the US and Eco Stor in Germany (two examples) can save on the cost of hiring system integrators, and this approach accounts for a 'significant share' in some local markets, Shi and Rambli said.
