As one of the leading battery suppliers in Syria, Extron Batteries is committed to delivering innovative, durable, and efficient energy storage solutions to meet the needs of diverse applications. Why Choose Extron Batteries?

At Extron Batteries, we specialize in providing top-tier battery.

With daily power outages lasting 18+ hours and fossil fuel supplies dwindling faster than ice cubes in the desert, Syria's energy storage battery manufacturers are scrambling to power up a nation literally in the dark. Syria recently made headlines with its 100MW Wadi al-Rabi photovoltaic station.

The MOTOMA Energy Storage System, containing solar panels, inverters, and LiFePO4 lithium batteries, is designed to seamlessly power daily-use appliances and equipment such as air conditioners, refrigerators, lights, fans, and TVs. Not only does it cater to current energy needs, but it also.
