Top-rated models include the EF ECOFLOW Solar Generator DELTA 2 Max for all-around performance, the BLUETTI Portable Power Station AC180 and Anker SOLIX C1000 for compact portability, the Jackery Explorer 1000 v2 for lightweight travel power, and the EF ECOFLOW Portable Power Station.

Portable solar generators offer a green solution for powering up during electrical outages or off-grid excursions. Find out how today's top models fared in our hands-on tests. We may earn revenue from the products available on this page and participate in affiliate programs. [Learn More > Solar](#).

Solar generators can make your life a little easier on a good day or save you on a bad day. These powerful power packs offer huge battery capacity that can fuel large devices and even appliances in a pinch. They're great in an emergency, but they're also essential tailgating and camping equipment.

Whether you are outfitting your home in case of an extended power outage or looking for a steady supply of off-grid power for your overlanding setup, it's never been a better time to purchase a solar generator. But sifting through all the available options on the market — power stations that are.

The best solar generators for home backup, off-grid living, and RV use provide clean, portable power exactly when you need it. Top-rated models include the EF ECOFLOW Solar Generator DELTA 2 Max for all-around performance, the BLUETTI Portable Power Station AC180 and Anker SOLIX C1000 for compact.

The best solar generator pairs a large-capacity rechargeable power station — a big battery, at heart — with a set of portable solar panels, making for a versatile device that can provide backup power for your home during an emergency and do double duty for off-grid activities like camping.

Fortunately, battery backup solar generators, sometimes called portable power stations, are becoming an increasingly viable alternative. They offer silent operation, minimal maintenance, and zero emissions, so they can safely be run indoors. Plus, they are becoming more powerful every year, with.
